## Artarmon Public School Before School Care

Your  
OSHC.

Dear Parents,

Hope you guys had a lovely break. Next week we will be shining a spotlight on the importance of dental health as part of our Dental Week celebration. We'll be talking to the children about how to take care of their teeth, and we've got fun activities. It's a fantastic opportunity to help our kids learn about good oral hygiene habits in a playful and engaging way.

We'll also be continuing one of our most popular themes Lego. Following the success of our recent Lego challenge, we're excited to introduce Big Art Lego Challenges. These sessions will give children the chance to build large-scale Lego creations which they can then submit into the competition. More info of this competition can be found on this [link](#).

Like always we will start our mornings with energy and focus, with nutritious and delicious breakfast. Favourites on the menu include pancakes, fairy bread, cheese toast, and fresh fruit juices all designed to fuel the fun ahead. We're excited for another fortnight of exploration, creativity, and connection and we look forward to sharing it with your children.

Warm regards,  
Selvin Stany Menezes  
Service Leader  
0434422306
