Dear Parents,

Your children will be in a colourful journey this week, your children will embark on a colourful and creative journey, starting with fun activities like making Jewellery Trees, crafting paper strip trees, and creating pine cone trees. It's going to be a week full of imagination and hands-on learning.

Your children will dive into tooth-themed crafts, explore a Lego teeth-cleaning project, and get creative with play dough as they learn about dental health. It's the perfect combination of fun, learning, and creativity as we celebrate smiles all week long!

Each day will be filled with creativity, learning, and fun! We can't wait to see the joy and imagination your children will bring to these exciting activities.

Warm regards,
